NORTH WISCONSIN NATIVE PLANTS

Collected and Grown by

F. G. KNOWLTON, Barksdale, Wisc.

Telegraph Code, "WILDLINGS," Ashland, Wisc.

Price on 1,000 lots are for collected plants (in season) and as cheap as consistent with labor, traveling time, and soil conditions and therefore are slightly higher on some items and lower on others, than plants from other localities.

Some plants can not be collected until blooming season. Some can not be moved during blooming, and any orders will be shipped as soon as possible. Postage or express extra, usually about 10 per cent. Packing free.

One-half dozen at dozen rate, 50 at 100 rate, and 500 at 1,000 rate.

Am continually finding new items, if you don't find what you want, drop me a line, I may be able to supply.
